

# McCallum Orchestra Boosters cordially invite you to become a **Cherished Sponsor** of the McCallum Fine Arts Academy Orchestra

McCallum High School is the home of Austin ISD's Fine Arts Academy program:

- Students city-wide can apply and attend McCallum High School as a fine arts major
- Orchestra majors must practice, perform, and participate in competitions
- Orchestra majors are required to study music theory and piano and maintain passing grades
- Students receive access to school-provided instruments and specialized instruction
- Students participate in enrichment programs with the Austin Chamber Music Center and others

Unlike magnet school programs, the McCallum Fine Arts Academy receives no special funding to support its activities. The covid shutdown hit our program particularly hard, with our existing sponsorship base and community contacts relocating, closing, and moving on.

Parent booster volunteers are making a big push this year to rebuild our community base, because this June the award-winning McCallum Orchestra will be performing at... CARNEGIE HALL IN NEW YORK CITY! And we want every student who wants to go be able to sit on that stage proudly and represent our school and our city.

This is where you come in, Cherished Sponsor.

Your donation will literally make dreams come true for some of the hardest-working, committed young musicians in Austin. We are great at showing gratitude, with 1300+ followers on our Facebook page alone, sponsor logos published on our gratitude page on our website, and sponsors listed and thanked in our concert programs.

Available Sponsor Levels:

- \$3,000+ Composer Circle - VIP logo on website and programs, social media shoutouts throughout the year
- \$1000+ Conductor Circle - large logo on website and programs, social media shoutouts throughout the year
- \$750+ Concert Master Circle - Large Logo in programs, publications and website. Shout-outs on social media posts.
- \$500+ First Chair - medium logo on website and concert programs
